Profile

Hello, I am a Software Developer with 2 years of work experience in the field of Mobile or Web Application development

Career

Nov 2021 – Dec 2023 | Xcidic PTE LTD

I have worked at this company for 2 years and have been involved in several important projects. I worked on Fitcells, an online gym booking app, Tuut an app for booking online lessons, Gelora an app for online sports field reservations, and Aegis an app for finding jobs.

Jun 2021 – Nov 2021 | PT Sahaware

I've been working for 6 months at a company as both a Mobile Developer and Web Developer. As a Mobile Developer, I worked on the My Digilearn project, an app for Telkom employees' learning. As a Web Developer, I was assigned to the Inatti project, a website for COVID-19 vaccine reservations.
